## Department of Mathematics

### Report on a talk conducted on the occasion of National Mathematics day: 2022-23

National Mathematics Day is a time to honour Srinivasa Ramanujan's outstanding accomplishments and consider the value of mathematics in our daily lives. National Mathematics Day, which commemorates Srinivasa Ramanujan's birthday, promotes and highlights his outstanding accomplishments. Ramanujan was regarded as a skilled mathematician because he gave important mathematical analysis and solved some of the "unsolvable" equations. On a national and international basis, he is regarded as one of the best mathematicians in the world.

The theme for National Mathematics Day 2022 is not predetermined. "To make people aware of the evolution of mathematics and its importance in the growth of humanity" is the stated goal of this day.

On the occasion of National mathematics day, department of mathematics organised a talk on the "The Genius: Srinivasa Ramanujan" on 22<sup>nd</sup> December 2022 from 12 noon to 1 pm in the college auditorium. Dr. Suresha M, professor, Vemana Institute of Technology, Chairman, Board of studies, VTU was invited to deliver the talk. The talk was attended by the first year students and the faculties of Vemana institute of technology.

The guest speaker was welcomed by Prof. Anjali R K, Assistant Professor, Department of Basic Science and Humanities, Prof. P Yogeswara Reddy greeted the speaker with flowers. Dr. Kempegowda M, HoD, Department of Mathematics graced the occasion.

Dr. Suresha M in his speech spoke about the goal of Mathematics Day is to increase public understanding of the value of mathematics. On this day, people recognize the value of mathematics in advancing humanity at all levels.

The government undertakes a number of programmes to inspire, educate, and excite the populace as well as the children of the nation to adopt a favourable attitude toward mathematics.

He spoke about Ramanujan's fascination towards numbers as he was a child. His great inquisitiveness while he was a student, he showed great mathematical abilities as a child.

The speaker also elaborated the biography of S.Ramanujan like a story. He spoke about the great achievements of S.Ramanujan and also the hardships that he had to suffer. His remarkable speech made everyone feel reverence for Srinivasa Ramanujan. The speech was really informative and well received by students. He also shared some of the important life points of S Ramanujan with students.

Prof. Venugopal G delivered the vote of thanks.
